Dear Mr. Eudy,

Thank you so much for your letter of July 23, 2013.

Please accept the following as my response to your letter.

I have never put up a sign of any type in Creedmoor.

Your accusation is false and unjust.

It would appear from numerous comments that I have received from other citizens that your actions on behalf of the city have been both illegal and frequent.

I await your apology.

Sincerely,

A handwritten signature in cursive script that reads "Jean Blaine". The signature is written in black ink and is positioned above the printed name.
